# **2013 Stallion Auction Rules**

## **2013 Auction – Foals of 2014**

- 1. There is no fee to nominate a stallion. However, if a stallion owner nominates a mare to be bred to his/her stallion, there will be a fee due at the time of the mare nomination. Stallion owners may nominate two mares. The fee for the first mare is \$100. The fee for the second mare is one-half (1/2) the stallion's fee. For private treaty stallions, the fee or the second mare will equal the starting bid. This fee allows the stallion owner two eligible foals in the Futurity regardless of whether the fee sells. Each stallions' fee will sell only once.**
- 2. Stallion nomination must be received by the catalog deadline of February 20, 2013.**
- 3. Stallion service fees will be sold in the same order as they are listed in the caltalog. Every effort has been made to ensure accuracy of listing. Any known errors will be announced at the time displayed before bidding ends. Neither Horsemen of Iowa, Inc. nor the auctioneer assumes any liabilities for errors or omissions of catalog statements.**
- 4. Stallion service will be sold to the highest bidder. The bidding will begin at 50% of the advertised fee, with a minimum of \$250.00 starting bid. Bidding for private treaty stallions will begin at \$500.**
- 5. 100% of the bid is due and payable day of the auction. Credit Cards will be charged at that day of auction. There will be no additional Credit Card surcharges for this auction.**

# **2013 Stallion Auction Rules**

## **2013 Auction – Foals of 2014**

- 6. A breeding contract will be issued to the buyer upon completion of payment of the service fee. All additional charges by a stallion owner must be disclosed prior to the auction. All other contracts must be sent to the Futurity Secretary prior to auction.**
- 7. All guarantees are between buyer and seller.**
- 8. Stallion owners and mare owners must nominate their mares by December 1, 2013, along with the applicable nomination fee. Mare nominations postmarked after Dec. 1, 2013 will have a late fee of \$25.00. Any nominations received after Dec. 31, 2013 will not be accepted.**
- 9. Stallion service must be used in the year purchased or donated.**
- 10. Any request for consideration of reclassification, substitutions, or credit must be made in writing, stating mare's name, stallion's name, and reason for request. Owner must include a written veterinary statement to be sent to the Futurity Secretary, postmarked on or before July 1st of foaling year.**
- 11. Nominated mares that did not produce a live viable foal will be reclassified and allowed a return service only one time and only the year after purchase.**
- 12. In the event a stallion dies or becomes unserviceable, or the stallion owner, manager, or lessee refuse to honor contract for any reason, credit will be given purchaser the following year for the same amount on another breeding fee through the Auction. All of the credit must be used the following year. NO CARRY OVER OF CREDITS. NO REFUNDS.**
